

Article 3 of the Articles of Association of Stichting Amsterdam Summer University, as last amended on 11 May 2022

Object.

1. The objective of the Foundation is:

1. Developing and actually offering and organising (international) education for students and professionals, in cooperation with universities and other educational institutions;

2. The organisation of and/or participation in events or other events and occasions which may be conducive to the objective of the Foundation, whether or not in collaboration with other legal entities, institutions or natural persons; as well as

3. All that is related to or may be conducive to the above, in the broadest sense of the word.
